Please send news and photos for our website—We want to hear from you!

Dear CHS Class of 1968 Classmate,

Wow, it's hard to believe that almost 40 years have gone by since we sat in the sun on the football field and marched up to receive our high school diplomas! My most vivid recollections are actually that hot, hot morning we practiced a day or two before. Thought it would never, never end. We made it at last, though. Remember the spirit rallies? Mandatory assemblies? The Dean of Girls haranguing us on proper attire (b-o-r-i-n-g!) Caramel apples (yum!)? Football games, volleyball practices, and dances at the gym in our stocking feet? Hanging around the Senior Quad? Lots of good memories! And the music—no one's ever equaled our era for great tunes!

Mary Ann Cappa, Sharon Rasmussen, and I are putting together a CHS Class of 1968 website. Check us out at the website URL above. You can find the latest on us (and some current pictures) on the Classmates A-Z pages (listed under Cappa, Rasmussen, Chew). News and current photos on our class are posted under each name as they come in.

We'd love to hear from you! We've entered the senior class photos from our yearbook on the website, so you can admire (or moan over) your own old photo. Now we need current news and photos to bring everyone up to date on what you've been up to over the years. School? Career? Family? Hobbies? Obsessions? Do let us know! Please fill out the enclosed information sheet and send it back to us, or, if you'd rather, just write a few paragraphs in your own style on a sheet of paper and send it in. You can also use the internet—send your message, questions, whatever to me at reunion@cliveden.com and I'll make sure your bio gets up on the website. Don't forget those photos! I'll be very glad to help with scanning or typing.

We're starting to kick around ideas for our 40-year reunion, too, and just enjoying chatting with old friends. There's a link to the CHS discussion group (free, free, free—no fees!) on the website home page, or you can find us at the URL above. Join up to receive news and info as people contact us and reunion plans are settled, and, of course, to find lost friends.

Please pass along the news about the website and discussion group to any classmates you've kept in touch with. We have lots of class members to locate, and we certainly appreciate every bit of help we can get!

Hope all is well in your part of the world—and hope to hear from you soon! You can reach us through the website or the discussion group. Or, if you'd rather use the mail, send news (and current photos) to me at the address above. I'll be very glad to scan and return any photos to you if you like. Just let me know how I can help.

Go-o-o-o Colts!
